[8~10] Read and answer each question.

Today, Uncle George, Aunt Millie, and I made some cheese.

First, we got milk from the cows. We put the milk in a pot and heated it for 15 minutes. Then, Aunt Millie put some lemon juice in the pot. Then, we waited 15 minutes more. The milk was very different. There were two parts. Most of it was like butter. There was something like water on the top. We took the water out. Then we put the hard part into a big bowl. I poured some salt. The salt made good taste of cheese.

It is too soft now. We can eat it after two days.
