

ELF Book 7 Unit Test (Unit 1)

Date:

Class:

Student Name:

1. Choose the right word for the blank.

He is _____ under the bed.

① **hiding**

② changing

③ catching

2. Look at the picture, and write the missing letters from the box.

b a l e s i

⇒ plant

3. Choose the word(s) with the same meaning as the underlined word.

John is a tall and thin boy.

① not short

② **not fat**

③ not small

④ not handsome

4. Choose the one that is NOT right for the blank.

She can eat _____ cherries.

① many

② **much**

③ lots of

④ a lot of

5. Circle the right one.

(1) Big animals eat (**a lot of**, many) food.

(2) I have a lot of (friend, **friends**) at school.

[6~7] Read and answer each question.

Some lizards can change colors. When they're outside, they change their colors. On a rock, they change to gray or brown. They look like the rock, so animals cannot see them.

When they are in a tree, they are green. The lizards and the leaves in the tree are the same color. Bigger animals in the tree cannot see them.

6. Check the right one to make a sentence.

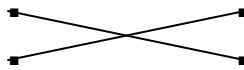

Bigger animals cannot see lizard... ☐ **because they can change into lots of colors.**

☐ because they can hide their body under the leaves.

7. Match lizard's colors and the places.

(1) Lizards are green.

(2) Lizards are gray or brown.

On the rock

In a tree

[8~10] Read and answer each question.

A lot of animals can hide very well. They hide from lots of bigger animals like birds and frogs. How do they hide? Sometimes they change colors. Sometimes they look like plants.

Stick-bugs can hide well, too. They don't change to lots of colors. They are one color, brown or green. Stick-bugs are long and thin. They look like sticks. They stand on plants, so other animals cannot see them. They are safe.

8. Choose the right one for the blank.

Q: Why do many animals hide?

A: Because they want to be _____

① different

② beautiful

③ **safe**

④ bigger

9. How do stick- bugs hide?

① They changes to lots of colors.

② They changes their body.

③ **They stand on plants.**

④ They fly to the top of the tree.

10. Read and check T(true) or F(false).

(1) A lot of animals hide from smaller animals.

T ☐

F ☐

(2) Stick- bugs are long and thin, so they look like sticks.

T ☐

F ☐
