(3) Why is the sky blue?

(4) Why do we die?

Question	6. _____ (2)	7. _____ (1)
Answer	It is very bright and hot. We can't open our eyes in front of it. But it's far from us, so it looks small and shining!	Fish cannot live in air like people. They need water to live. They can get air from water.

[8~10] Read and answer each question.

Tired: My brother asks so many questions. What should I do?  
Advice Lady: You were like your little brother — remember? You wanted to know all about things. Now, you can help your little brother.  
He can get the answers himself! You don't need to answer all the questions. Instead, you can show the way to get the answer. Show him the way to use the Internet or a dictionary. He can go to the library to find out the answer, too. Then he won't ask you questions. Also, he'll know a lot more!

8. Choose the right one about the little brother.

- ① He knows almost everything.
- ② He understands something well.
- ③ He doesn't understand something well.
- ④ **He wants to know about things.**

9. How can the little brother get the answers himself? Choose two ways.

- ① He can ask questions to his teacher.
- ② **He can use the Internet or a dictionary.**
- ③ **He can read books and find out the answers.**
- ④ He can get the answers from the Advice Lady.

10. Read and check T(true) or F(false).

(1) Tired should answer all the questions to his little brother.

T ☐ F ☒

(2) Tired wanted to know about things when he was young.
