

# ELF Book 7 Unit Test (Unit 3)

Date:

Class:

Student Name:

1. Choose the right word for the blank.

Look at that  building. It's really big!

① hard

② **giant**

③ different

2. Look at the picture, and write the missing letters from the box.

b a d e t u

⇒ golden

3. Choose the word with the same meaning as the underlined word.

Bees and flies are small insects.

① fruits

② pets

③ farms

④ **bugs**

4. Circle the right one.

A subway is fast than a bicycle.

①

②

③

④

5. Look at the pictures and fill in the blanks using the given words.

old

dark

small

light

(1) The feet on the right are smaller than the feet on the left.

(2) The face is darker than the hand.

[6~7] Read and answer each question.

People live about 70 years. Some animals live longer than people. The Indian elephant lives 70 years. The golden eagle lives about 80 years. But our pets have shorter lives than us. A cat or dog only lives about 20 years! Many other animals have shorter lives, too

6. What is the topic of the reading?

- ① The animal's way of living
- ② The places where people and animals live
- ③ **The life times of people and animals**
- ④ The life styles of people and animals

7. Which animal lives longer than people?

- ① Indian elephant
- ② **golden eagle**
- ③ cat
- ④ dog

[8~10] Read and answer each question.

A guinea pig lives about five years. A mouse has a shorter life — about two years. Most insects have even shorter lives. They cannot live a year! Larger animals often live longer than smaller animals. A deer lives to 20 or 25. A horse or alligator can live to 50. A giant tortoise can be older than 100!

Do bigger animals always live longer than smaller animals? Not always. One small animal — a clam — was 405 years old! A clam is a kind of shellfish, and it lives under the sea.

8. Choose the right one for the blank.

Larger animals don't always live longer than \_\_\_\_\_ animals.

- ① **smaller**
- ② shorter
- ③ bigger
- ④ longer

9. Which animals live longer? Put the pictures in the right order.

(1)

(2)

(3)

Lifetime :  2  <  1  <  3

10. Choose the right one for the blank.

I have to hide from people and cats.  
People don't like me, and cats try to eat me! I live only 2 years! Who am I?

⇒ I'm a \_\_\_\_\_.

- ① **mouse**
- ② deer
- ③ horse
- ④ clam
