[8~10] Read and answer each question.

Cynthia wanted to lose weight, so she started a diet. Cynthia didn't eat breakfast.

She was hungry every day at school. She had lunch, but she was still hungry.

So she ate snacks after lunch. After one year, she gained 15 kg. She was the biggest kid in her class. Cynthia's grades went down, too. She felt more tired than before the diet. She fell asleep in class. Her teacher and mother worried about her.

Now Cynthia eats breakfast every day. She has healthy food. She doesn't eat snacks after lunch. She doesn't fall asleep in class, too. Breakfast is the most important meal. Cynthia knows that now.

8. What is the main idea of the reading?

- ① How to lose weight
- ② Snacks are bad for your health.
- ③ Eating healthy food
- ④ Breakfast is very important.

9. Why didn't Cynthia eat breakfast?

- ① Because she didn't like to eat breakfast.
- ② Because she wanted to lose weight.
- ③ Because she didn't want to be late for school
- ④ Because she wanted to be healthy.

10. What happened to Cynthia when she didn't eat breakfast?

- ① She gained weight.
- ② She got good grades.
- ③ She didn't feel tired.
- ④ She liked to eat healthy food.
