[1-3] Read the passage, and answer the following questions.

Every animal in the world has a house. Birds have their houses in trees. Snails carry their houses on their backs. People also have houses. A house is a safe place for us. It keeps us safe from rain, wind and snow. It keeps us safe from wild animals, too. Also, a house is a place for rest. We eat and sleep in the house. And we stay with our family there.

1. Which don't have houses?

- ① beggars      ② snails      ③ people      ④ birds

2. Which is **NOT** true about houses?

- ① It lets us rest.  
② We eat and sleep in there.  
③ It keeps us safe from rain, wind and snow.  
④ Only People have houses.

3. Where are the snails houses?

- ① They are in trees.  
② They are on their backs.  
③ They are under the ground.  
④ They are under the trees.

[4-6] Read the passage, and answer the following questions.

There are wood, snow, metal, and straw houses in the world. And some houses are up in trees. Others are under the ground. Then what makes houses so different? Nature like weather makes houses different. In the Arctic, it is cold and snows a lot. So, people make snow houses, igloos. Sometimes, people's lifestyle makes houses different. A yurt in Mongolia is an example. Mongolians travel a lot. They have to move their houses. So, Mongolians always carry blankets. And they make their houses with the blankets.

4. What is the main topic of the passage?

- ① How to make a house
- ② History of the houses
- ③ Houses and our lives
- ④ Houses around the world

5. What is the house called in the Arctic?

- ① yurt
- ② cold house
- ③ snow house
- ④ igloo

6. Choose the mismatched pair.

- ① Mongolia – Mongolian
- ② Korea - Korean
- ③ China – Chinan
- ④ Indonesia - Indonesian

[7-9] Read the passage, and answer the following questions.

Some houses have an upside down roof. Those houses are in Senegal, Africa. (A) Senegal is a hot and dry place. People cannot get water there. (B) So, they make a roof with grass. And they put it upside down. Then, they collect rain! Indonesia is a hot country, too. (C) But they make the roof pointed. In their thoughts, a god lives in the pointed roof. (D) And the god @takes care of their families.

7. Why do people in Senegal make a roof upside down?

- ① Because it is hot.
- ② To collect rain
- ③ Because a god lives in the roof.
- ④ To make it look cool

8. Where would the following sentence best fit in the passage?

The houses look different from the houses in Senegal. Indonesians also make a roof with grass.

- ① (A)      ② (B)      ③ (C)      ④ (D)

9. What does ㉓ **take care of** mean?

- ① look after      ② play with      ③ look at      ④ watch

10. Make a sentence.

자연과 사람들의 생활방식이 집의 형태를 다르게 만든다.

Nature and people's lifestyle make houses different.
