WORK ON IT

sunday 8th april

Today I went to visit my cousin jane. We played in the garden all morning until aunt mary called us in for lunch. We had curried chicken and rice, my favourite.

Jane showed me some photos of her holiday in england. There were lots of pictures of famous places and buildings in london, such as tower bridge, hyde park and buckingham palace.

There was also a picture of jane and her mum on the river thames. I would like to visit england one day.
